Newsletter of Stage Accompany International

Week 19/1991

Company News

Newsletter weekly

From now on you will receive weekly a short newsletter by fax instead of the longer one, sended once in a while. By doing so, we hope we can inform you better, if you think this is not a good idea, glease let us know!

Holiday period

This year the Stage Accompany factory will not close during the summer holiday period. We hope this service will be valuable to you.

May 9th and 10th (this week), the factory will be closed, as well as May 20th.

Product Handbook

We planned to have the Product Handbook officially printed on June 18th. All leaflets will have then black and white pictures of the product.

Product News

Performer 4817 Bass cabinet

As we had several questions for a small modification of the SA 4817 Bass cabinet, we decided to effectuate it. This means that the width has been expanded with 50 mm. New leaflets are ready and will be sended soon.

The new dimensions are for the

normal version: 655 x 970 x 670 (hxwxd)

flightcased version:657 x 975 x 675 (hxwxd; excluding castors)

New Champions

As announced in newsletter no. 6, the new Champions will be available soon. The first production run will come out in week 25. However the Champion SA 4524 will not be available in the new look until the end of this year. This goes also for the Leader series.

Pictures

Today, b/w pictures of the 'Hessel v.d. Kooy' project dd March 9 and 10 will be sended to you. Several pictures of the system and the concert. Also, a description of the equipment used is included.
